To Whom it May Concern:

It is my pleasure to write this recommendation for Ava Yatch. I have known Ava for the last four years as a friend of my daughter's and as a student. I have had many opportunities to witness Ava taking on roles as volunteer, leader, and student.

While attending Nouvel, Ava has been an active member of the student body; I had Ava as a student for three of her four years at Nouvel and have watched grow as a leader and student. She is a member of NHS, an organization I advise, and is willing to step and get the job done, even when it isn't always hers to do. She is involved in multiple sports and is a leader on the court, encouraging her teammates to be better than they might think they are. She has a kind heart and volunteers within the community to help those in need. While Ava may not have been on things like student government, she is always willing to step up and help with whatever activity the school is working on. She works very hard at her academics, pushing herself to learn more. I will miss having her in class next year. Her work ethic is an example to others.

Ava works hard in her studies to be the best she can be. She makes an effort to be involved in things in the community. She truly embodies what we hope a Nouvel student goes out and becomes upon graduation - someone who is confident and willing to think outside the box, all while using her faith to guide her. I am confident that Ava will be better than most in whatever she chooses to pursue and leave her mark. That being said, I highly recommend Ava Yatch for whatever endeavor she is seeking.

Sincerely,

Meredith L. Adelman
