To whom it may concern,

Over the past four years, I have had the honor of getting to know Mackenzie Sprague as both her teacher and soccer coach. Mackenzie's strong leadership skills and determination have been great examples to her fellow students at Nouvel.

As a student, I have watched Mackenzie overcome struggle and not give up when faced with a difficult situation in a class. When she could have easily given up and quit, Mackenzie excelled in a learning environment that others often struggle with. She managed her time and stayed on top of tasks to complete the class when required. It was great to see her hard work and determination to succeed pay off in the end.

As an athlete, Mackenzie has been a leader and team player since she was a freshman on the Varsity Soccer team. Her freshman year, Mackenzie was asked to fill a spot on the field that is not her normal position. She could have said no and asked to stay where she was comfortable, but she knew that her team needed her. Mackenzie excelled and grew as a player in that position and was a tremendous asset for the time. The entire time she also never stopped encouraging her teammates and working hard at every practice. She has continued to show great leadership each year, welcoming new teammates and always pushing them to do their best.

I know that in college, Mackenzie will accomplish great things as she continues to expand her leadership skills and use her determination to get her through any challenges that she faces.

Thank you,

Aubrey Walker
